

# Meet The MU Coaches

BY RICH JAQUETT  
Staff Writer

Anyone who has followed the Marauders in recent years has had a lot to be proud of. The achievements of Millersville athletics recently have been impressive. Just a few from the top of my head would be, the Men's Basketball team went to the PSAC in 1985, made trips to the NCAA Division II playoffs the last two years and have been

nationally ranked for the last three years. The Field Hockey team won the PSAC for the last two years and were in the finals of the NCAA Division II in 1985. The Men's Cross Country team captured the national title for Division II in 1981. The Women's Basketball team went to the PSAC playoffs in 1985. And most recently the Football team completed a 9-1 year in which they were nationally ranked for most of the season,

ending up in the top 20. I could go on and on.

Behind any successful team there is a dedicated, hardworking coach. In the following weeks I will be bringing you the people behind the Marauders, Millersville's coaches. Beginning next week, I will be introducing you to the coaches, where they're from and how they do their jobs. Starting with Dr. Gene Carpenter, the Men's Athletic Director and

Head Football coach, and Mrs. Marjorie Trout, The Women's Athletic Director. Following each week with another pair of MU coaches.

If there is anything you would like to know about any of Millersville's coaches just let me know c/o *The Snapper* and I will try to include them in upcoming weeks.

*Ed Note: First in a series*
